Lochcarron John Buchan LTD will develop the following initiatives that will support the company's strategies to meet Science Based Targets:

Strategy	Initiative
Net Zero Nation Accelerator	<ul style="list-style-type: none"> Lohcarron have joined the Net Zero Nation Accelerator on a 12-month program to measure, manage and reduce business emissions in collaboration with other organisations and as part of a wider business initiative.
Engagement of Team	<ul style="list-style-type: none"> To engage the entire team throughout the organisation in the Net Zero transition plan and to encourage staff to support lower carbon ideas, opportunities, and activities.
Sustainable Travel Policy	<ul style="list-style-type: none"> To introduce a sustainable travel policy encouraging use of public transport and lower carbon options when practical to do so. This will be implemented during 2023.
Carbon Emissions Dashboard	<ul style="list-style-type: none"> Lohcarron has made the commitment to complete its carbon emissions dashboard on a regular basis. This is overseen by a member of the Senior Management Team and shared with the wider team on a quarterly basis. By partnering with Net Zero Nation, we gain access to their expertise and support in reporting our emissions and how to reduce them, including best practice and insights. We will also promote our activities on social media to encourage others to make lower carbon decisions.
Supply Chain Review	<ul style="list-style-type: none"> To carry out a full review of the supply chain, developing a full plan in 2023 – 2024, followed by the introduction of a sustainable supply chain policy in 2024.
